← Praise For *Games*: (Fastcut Records, Japan 2010)

"A massive dose of exquisite pop music that should be ruling whatever charts it comes into contact with."

- Rob Forbes, **Leicester Bangs Mag** (UK)

"Spencer McGillicutty rocks out a bit (the utterly catchy "It's Easy to Fall in Love" and "Secret Best Friend") and turns in a gem of a tune in the introspective and garage-band-like "Claire Carnaby." In all, the four-piece outfit has released a fine record." - Tim Hinely, **Dagger Zine** (Portland, OR)

"They produce new music that, by dint of evolutionary momentum, should sound completely outmoded. Instead, they're so completely vested in paying homage that they manage to be simultaneously familiar and fresh."

- Casey Phillips, **Chattanooga Times Free Press** (TN)
